

5<sup>th</sup> February 2019

Dear Parents and carers,

We are looking into the possibility of running an Art Club after school during the summer term. The club would be run by a company called ART4. You can follow their clubs and see examples of their art work via their twitter feed @ART4creativity1.

ART4 offers the children the chance to create a fabulous portfolio of dynamic art work over the course of 6 weeks. It provides specialist Art teaching to children in both Key Stage 1 and Key Stage 2, giving all pupils the chance to explore and develop their artistic talents. During each club the children undertake a wide variety of exciting and engaging creative projects, using a range of techniques and materials, specifically designed to fire their imaginations and maximise their artistic potential.

There are 20 spaces available for the club which would operate between 3.15pm and 4.45pm or 5:00pm (TBC) for a 6 week period. Sessions are booked in six weekly blocks at a cost of £6.00 per week and would be billed directly to parents at £36.00 per space per child. This includes the cost of the tuition and all the materials which are provided by ART4. We are looking at a Wednesday or Thursday for the club, again this is to be confirmed.

If you would be interested in your child having this opportunity could you fill in the slip below and return it to the school office by Monday 11<sup>th</sup> February. This does not guarantee a space as this is a letter of interest.

Yours sincerely,

Mrs Turner  
Deputy Head Teacher
