

Join our Cupcake Day

Cupcake Day is back and everyone's invited!

Come along and join our Cupcake Day at Archibald First School on

Tuesday 12 June, 1:30 to 3:30 pm in the small hall

What is Cupcake Day? It's a truly epic day when people across the nation unite to fight dementia. It's basically all about doing something fun in support of Alzheimer's Society, the UK's leading dementia charity, working to create lasting change for people affected by dementia – and every crumb raised on Cupcake Day will go towards helping them.

In 2017, Cupcake Day raised over one million pounds for people affected by dementia, and we want to make this year's event even bigger and better! Together we'll eat lots of cake, have lots of fun and raise pots of money.

In the UK, someone develops dementia every three minutes, and there is currently no cure. But together we will beat it, dementia will not win. By participating in Cupcake Day, you are making a difference and helping towards finding new treatments and, ultimately, a cure for dementia.

- **£50** would pay for a communication tool that uses symbols rather than words to help people with advanced dementia communicate.
- **£150** would pay for one of National Dementia Helpline Advisors to provide 10 hours of crucial support to people affected by dementia.
- **£610** would pay for a Doctoral Training Centre to run for one day, helping up to eight PhD researchers to carry out ground breaking study in dementia research.

If you are willing to participate, kindly fill and return the below slip by **Friday 8 June** or contact Rehab Dahy (mum to Sherif in Class 4) at hadouta@gmail.com or 07577027744
