

2<sup>nd</sup> May 2018

Dear Parents/Carers and Grandparents

**Early Years Sharing Week!**  
**W/C: Monday 14<sup>th</sup> May 2018**

During the week of the 14<sup>th</sup> May, you are invited to come in and share your skills, whatever they may be, with our Early Years Unit.

In the past we have had parents doing keep fit, playing instruments, singing, making jewellery, reading stories, creating art from natural objects, sewing, baking, bathing babies, making puppets, putting plaster casts on arms and much, much more. Parents and grandparents have also come in to talk about their occupations with the children. If you are a fire fighter, dentist, doctor, nurse, police officer, army personnel, sports person, florist, craft person, child minder, etc., we would love to hear from you.

Please consider spending half an hour with us sharing your talents and experiences. The children love you being here and we can learn so much by sharing. You could be sharing with a small or bigger group of children (your choice). Other parents would be in the unit at the same time so please don't be shy!

A timetable with available slots will be in the Nursery cloakroom or with Reception teachers from Tuesday 8<sup>th</sup> May.

Everyone is very welcome.

Yours excitedly!

The Early Years Team
