

Early Years: Summer 2

Commotion in the Ocean

This term, we will be finding out about the Ocean. What it is like, what lives there? We look at and compare the Ocean with where we live. We will explore animals that live in the ocean and decide which ones we like and why.

As the weather hopefully gets warmer, we will be learning about the changes that happen in Summer. We will be looking at and comparing all the seasons.

We will be having Sport's Day!
Trainers at the ready!!!

In PE we will be concentrating on ball skills and games relating to Sport's day. Weather permitting our PE sessions will be outside.

We will read lots of fiction and non-fiction books to find out about different sea creatures.

We will be taking part in Anti-bullying activities linked with Anti-bullying week.

We will be getting ready to go to our next classes.

Reception will be doing their class assembly.

We will use our role play areas to continue to develop children's communication and language skills.

Reception will be involved in Transition week with Year 1.

Nursery will be coming to watch.

Nursery children will be having visits to their new Reception classes.

Nursery are continuing to work on name writing and pencil control. Reception will continue with weekly handwriting. We are working on writing letters correctly and on lines.

All children will still be participating in a wide range of practical maths activities involving numbers, shape and measurement. We will be securing our knowledge and understanding of numbers to 10 in Nursery and 20 and beyond in Reception.
