Welcome To Early Years

Welcome to a new year at Archibald First School. Each half term you will receive a curriculum newsletter sharing with you some of the things we plan to get up to within Early Years. Often in Early Years planning changes on a day to day basis to follow the interests of the children so this letter is only a guideline.

We are very excited this year to have the theme of Disney running through all topics, objectives and learning. We know the children are too. All our key worker groups are Disney films, has your child told you what group they are in?

This half term we are looking at Toy Story covering;

- All about me/my family/ my school
- Feelings/making friends

We are learning about Harvest and the season Autumn. We will be spending a lot of time introducing or reinforcing the areas and rules of the Unit with the children. This half term is also an opportunity for the staff to get to know the starting points of all of the children.

This is a very exciting half term for the children as they meet the Early Years Team and make new friends. We will be working hard to promote the children's independence and support them as they start the school year. Reception children will be partaking in physical activities within Green zone and when the hall is available, however they will just remove their socks and shoes this half term.
