

24th January 2014

Dear Parents and Carers,

Hats on for homeless - Friday 31st January 2014

School Council are taking an active part in fund raising for different charities. This year we are supporting the homeless for one of our charity events. We have decided to collect for St Mungo's who help thousands of homeless people every year.

On Friday 31st January 2014 we will be putting our **Hats on for the Homeless**. You can wear any type of hat, woolly or other, and we will be collecting any loose change you bring.

The children from School Council will also be judging a competition for the best designed woolly hat in each class. Please see the attached competition form.

The form needs to be returned by Tuesday 28th January 2014; please post into the Key Stage One box, which will be located at the First Aid Table, Key Stage Two box, shall be on top of the book case outside of Class 8.

Thank you for your continued support.

School Council
