

June 15<sup>th</sup> National Bug Busting Day

Dear Parents and Carers,

Archibald First School will be hosting a Bug Busting information session for parents and carers to coincide with sessions for the children.

This session will be delivered by Kim Anderson, one of our School Health Advisors and will be held in the small hall at 9.00 am on June 15<sup>th</sup>. Come along for advice, facts and support to help in our campaign against head lice in school.

Yours sincerely,

Mrs. J. M. Bayes  
Headteacher
