

June 2018

Dear Parent/Guardian

From September there will be a limited number of places available for the new Year 3 and Year 4 children for brass tuition in school.

If you would like your child to receive brass tuition at school the cost would be approximately £65 approximately each term, which includes the cost of instrument hire. The full amount is payable up front via ParentPay. Your child would be taught in a group of no more than 5 children. Lessons will be taught by Tom Rushton from the Newcastle Music Service.

If your child wishes to discontinue their brass lessons a full term's notice will be required because of how the school is required to book the music service tuition.

If your child is eligible for free school meals because you are in receipt in benefits, or are pupil premium, there is no charge.

If your child is interested in receiving brass tuition please complete and return the reply slip below, to school by Monday 18 June. Mr Rushton will then come in to school to ensure your child is able to use the instrument and we will contact you to confirm places as there are a limited number of places available.

Kind regards,

Julia Bayes
Head Teacher

Please return to the school office by Monday 18 June.

I wish for my child, in class to receive brass tuition and confirm I will pay the cost of approximately £65 each term, which includes the cost of instrument hire. The full amount is payable up front via ParentPay.

If your child wishes to discontinue their brass lessons a full term's notice will be required because of how the school is required to book the music service tuition.
