Dear parents and carers,

I would like to take this opportunity to thank the supportive and considerate parents and carers who make up the vast majority of our school community. Mutual respect for the values of the school helps ensure that it remains a safe place for our pupils, staff and all other members of our community. We are fortunate that Archibald First School is in this position.

However on isolated occasions recently, behaviour has been demonstrated that is inappropriate to the school environment.

I wish to reassure the school community that the school will not tolerate abusive, threatening or violent behaviour. If necessary, I will take appropriate actions, including denial of permission for parents / carers to enter the school and possible prosecution.

Please feel free to raise any issues or concerns you have in order for us all to continue to provide the safe, welcoming and mutually respectful environment we would wish for all our children.

Yours sincerely,

Mrs. J. M. Bayes  
Head teacher.
