**Crossing Patrol  
Salters Road**

Dear Parents and Carers,

I have had a response to the e-mail I sent to Newcastle City Council expressing our concerns about the Salters Road crossing.

As expected their response was that as we have both a Zebra and Puffin crossing in the vicinity of the school a School Crossing Patrol Officer was not a priority.

I have been asked to advise you to report any similar instances to the police, and that the council will liaise with the local neighbourhood police team to see if they are able to provide some support in ensuring drivers' compliance at the Zebra crossing.

Yours sincerely,

Mrs. J.M. Bayes  
Head teacher
