

30th November 2012

Dear Parent/Guardian,

As part of our 'Keeping Healthy' topic this term the school nurse, Deborah Tulip, is visiting Year 4 to talk about body changes on Thursday 6th December 2012. This is in accordance with the school's sex education policy which can be found on the school website. This lesson will be a prerequisite for the learning the children will experience in years 5 and 6 at the middle schools.

The content will include the changes the body experiences as children grow-up, such as body odour and the need to keep clean and fresh. It will also cover the biologically correct terms for the male and female body parts. The children will be separated into single gender classes for this session.

If you would like any further information regarding this then please do not hesitate to contact the school office to arrange a meeting with either Mrs Bayes or Deborah Tulip. If for any reason you DO NOT want your child to participate in this session then please complete and return the form below.

Kind Regards

Miss Scott

Mrs Robertson

I DO NOT wish my child _____ to take part in the sex education session on Thursday 6th December 2012.
