

23 April 2019

Dear Parents

The Road Safety and Cycling Training team are coming into school to work with Year 4 children for their Bikeability Level 1 Certificate.

Training will take place on:

Class 9	Thursday 16 May 2019
Class 10	Friday 17 May 2019

Children should bring their bikes and helmets to school in the morning and park them in the outdoor classroom in the main school yard. We will take every precaution to ensure the security of children's bikes but it would be helpful if children could bring their own lock/chain.

Bikes should be in good order and the training officers will check them over with the children as part of the training.

Please complete the attached form and return it to school no later than Friday 3 April.

Yours sincerely

Mrs Bayes
Head Teacher

Please return to the school office by Friday 3 May 2019.

Bikeability Level 1 Certificate

My child will bring their own bike and bike helmet. I understand that the school is not responsible for any theft or damage to bikes.
