

## **Minute Meeting 24.9.18**

**Apologies:** Libby

### **Agenda**

#### **Letter for harvest festival**

Tom, Esme and Amelia all wrote letters regarding harvest festival. Miss Gowland has taken the letters and took the best bits to make one letter.

#### **Sports Council**

We have made Edith and Oliver sports Councillors. They are working with Miss White to plan playground games and help with playground leaders.

#### **Odd sock day**

We really enjoyed talking about Anti bullying week and watching the video. We have decided to have it on a Monday children wearing odd socks. We wondered if the children could do something nice each day like say something nice about their friend.

#### **School council awards**

Miss Gowland Spoke to us about the school council awards, we agreed that there should be a box in each year group with nominations forms in each class room to have set up and running for next term and have a school council assembly at the end of each term would that be ok?

Look forward to feedback

Albie Hankinson (school council manager)
