

School Council Minutes 1.10.19

Attending

All children

Miss Gowland

Miss White

We thanked the year four for a fantastic harvest festival letter and told them their next task will be to write the letter for children in need

Odd Sock Day and Children in Need

We explained to the children that Odd Sock day will be on the 12th November and Children in Need will be on the 16th although this is still to be confirmed as it could be the 9th it will be spotty day and year four children will write the letter to the children.

Ideas from the children

The children had written in their books lots of ideas of events they would like to do, Miss White explained that we are trying to have events that are free and not cost the parents lots of money.

One idea they had was to celebrate the school's birthday by having a tea party, would if this would be possible?

Next week we are going start decorating the boxes for school **council** wards

Albie Hankinson (School **Council** Manager)
