Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p><b><i>Playground Leaders</i></b>  <b><i>Free Clubs -access for all</i></b>  <b><i>Silver award in Sports Mark</i></b>  <b><i>Booster sessions</i></b></p>	<p><b><i>Application of skill to competitive games for KS1 children</i></b>  <b><i>Increased participation for girls in sports</i></b>  <b><i>Change 4 Life opportunities for less active children</i></b></p>
Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	<b>YEAR 3:</b>
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	<b>YEAR 3:</b> <b>YEAR 3:</b>
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	<b>100%</b>
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	<b>Yes/No</b>

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2018/19		Total fund allocated: £18,400		Date Updated: September 2018	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 4.6%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
<b>Improved behaviour and engagement throughout lessons.</b>	Use Go Noodle for 10 minutes every morning before registration.	£0	Children regularly ask for Go Noodle and demonstrate enthusiasm towards many of the guided dance routines. Children learn about their bodies through aspects of the site, e.g. My Racing Heart. It has supported “wet playtimes” and kept children active.	During Sports Week, reset each class’s champ and see who can have the most active minutes.	
	All class teachers to complete heatmap via School Games website to identify least active times of the day and plan to alter this.	£0	Staff aware of the times of each day that their class may need a more practical element/lesson or merely a “brain break” to keep moving.	PE coordinator used heatmap and realised there was a pattern in inactive lessons. Share ideas on how this was addressed.	
	PE Leader to subscribe to the Maths of the Day subscription.	£545	Children access the National Curriculum in a more active	Share ideas with staff on how to make all lessons	

<p><b><i>Children use higher activity levels during outdoor play.</i></b></p> <p><b><i>Improved behaviour/interest at playtimes due to Y4 playground leaders.</i></b></p> <p><b><i>Fewer children trying to stay inside at play times due to more options on the yard; higher activity levels for all children.</i></b></p>	<ul style="list-style-type: none"> <li>- Year 1 implement “Move it Monday” in numeracy.</li> <li>- Make staff aware of scheme and demonstrate ease of website.</li> </ul> <p>Staff to implement games during Key Stage 1 Afternoon Playtime.</p> <p>Year 4 to complete Playground Leaders course and implement activities during morning playtimes.</p> <p>Sports Captains to produce outdoor display board with PE Leader and rota for Playground Leaders to use.</p>	<p>£300</p> <p>Included in SLA.</p> <p>£0</p>	<p>way, games can be used in both Maths and PE. Impact has been seen in other areas of the curriculum now that ideas for active lessons have been trialled.</p> <p>Active maths means active engagement in a maths activity which requires physical activity.</p> <p>Afternoon Play increases the KS1 pupils’ daily outdoor activity from 55 minutes a day to 1 hour 10 minutes. Children more enthusiastic and have expressed enjoyment when adults join in. They regularly ask staff to play the games they have been introduced to.</p> <p>Children actively engaged and more active during outdoor playtimes.</p> <p>Children use suggestions from board to take part in activities that raise their heartrate and ensure they are active.</p>	<p>more active.</p> <p>Promote independence now that the children can select players and follow rules without support.</p> <p>Work with Sports Captains on School Council to address what works and needs improved.</p> <p>Communicate with PTFA about use of board.</p>
