Dear Parent/Carer

School Meals Pricing

Newcastle City Council have informed us that there will be an increase in the price of school meals in September 2020, for the first time since September 2015, for nursery, Year 3 and Year 4 children.

- Nursery - £2.10
- Primary - £2.20

Universal free school meals remain in place for children in Reception, Year 1 and Year 2.

Newcastle City Council Catering have professional development chefs who work on menus seeing food through the eyes of children and young people. They reflect changes in tastes and trends to make sure the food on offer is current and enjoyed by children.

Given that every child matters and the diverse nature of our city we have a themed calendar to reflect religious, sporting and fun events, this allows chefs to create differing foods to encourage children to experience new flavours and cultures through food.

If you wish to change your child's lunchtime provision, 2 weeks notice is required by the kitchen. Please contact admin@archibald.newcastle.sch.uk if you wish to change.

Kind regards.

Yours faithfully

Mrs R Turner
