

This year, our Christmas Evening will take place in a new and innovative way. Read on to find out more...

Christmas CD for Families

The Archibald First School 'Sounds of the Season' CD will be shared with each family as a **gift** from the school and the PTFA.

It is a token of appreciation from the PTFA and school for your continued support through what can only be described as an 'unusual year' as well as being designed to bring some Christmas cheer!

Every year group has recorded two Christmas songs which feature on our very own School Christmas CD.

We are giving these CDS as a gift, they cost just under £2 each to record and produce. If you would like to donate an extra £2 to cover this cost, we will happily accept donations which will go towards our PTFA fundraising pot for the development of the school grounds.
