

Dear parents/carers,

As the school will no longer be subscribing to Doodle, they have chosen to provide parents with a discount code so that those who wish to continue with the programme can do so.

Use the code HOME40DM to save 40% on DoodleMaths (valid until 31st August 2021)

Annual home subscription usual price £55.99 - now only £33.59!

You can also save 40% on DoodleEnglish with this code: HOME40DE

To redeem, please ensure you have linked your email address to your child:

- Ask your child to login to the app
- Tap on Grown Ups
- Click on 'create parent account' and follow the instructions to link yourself.
- If you already have an account and need to link yourself to a different child, select "Already have a parent account? Link to it here" at the bottom of the page!
- Alternatively, please go to <https://parents.doodlelearning.com/> and follow the instructions at this link -
<https://help.doodlehq.com/en/articles/5089264-how-do-i-link-a-parent-account-to-my-child-s-school-account>

Once linked to your child(ren):

- Log in to your Parent Dashboard (<https://parents.doodlelearning.com/>) with your parent login details
- Go to Manage > Subscriptions > Get Home Subscription
- Check the annual subscription option and pop in the code above

Why upgrade to Premium?

- Unlimited access to a bespoke work programme targeting strengths and weaknesses
- Full access to the Parent Dashboard to see progress
- Games and motivational collectables to encourage 10 minutes a day of practice
- An independent study has shown that children who use Doodle for 20 minutes per week are four times less likely to suffer learning loss.
-

If you need any support with this, please contact Doodle's parent support team directly via the green chat bubble in the bottom right hand corner of their website -

<https://doodlelearning.com/>

Happy Doodling!

The DoodleTeam
