Dear parents/carers

We are looking to enhance our Arts curriculum at Archibald and we would love to strengthen our links with the community.

We would like to know if any of our parents or wider family members have any talents, interests or skills in any areas of the Arts and would be willing to discuss how they could share their passion within school? This could be photography, drawing, illustrations, painting, music, dancing, sculpting, drama etc. and be delivered in the form of a workshop for a specific class or year group, or involvement in a topic or a school club.

Please fill in the form below to express any interest and return to school.

Kind regards.

Mrs. Howard and Mrs. Mullick.
