December 2023

Dear Parents and carers,

On Tuesday 6th February, Year 2 will enjoy an exciting day building a range of structures through activities provided by *Architect Workshops*.

This is a fantastic opportunity to enhance the children's Design and Technology curriculum and the interactive workshop will provide an entertaining hands-on experience linked to their upcoming science topic. The workshops will promote using gross and fine motor skills, creativity, problem solving and teamwork, as well as promoting higher order thinking, growth mindset and resilience, leading to increased self-esteem in participants.

We would like to thank the PTFA who have kindly donated £160 towards the cost of this exciting experience.

A voluntary contribution of **£4** is required to cover the cost of the workshop, this is payable **via Parent Pay by Friday 26th January**.

Thank you for your continued support.

Mrs Howard and Mrs Marshall.

Having fun, learning together.
Curious, caring, creative and courageous.
