

NEWCASTLE LOCAL OFFER LIVE

As part of our month-long series of SEND Celebration events, Newcastle Parent/Carer forum invites you to come along and chat face to face with the services and organisations who provide activities and support for children and young people with SEND and their families in Newcastle.

You will also have a chance to let us know what you think about SEND services In Newcastle and the Local Offer website. This will include a chance to help us rename the website as people have told us they find the term Local Offer confusing.
