12th December 2024

Dear Parents and Carers,

As part of our continuous review of safeguarding, we would like to make you aware that we have now installed CCTV in school to monitor external activity on the school premises to increase the health, safety and security of pupils, staff, and visitors.

The system comprises 8 external cameras which all focus on the grounds of Archibald First School; -

- 2 cameras covering the main entrance gates
- 2 cameras covering the school car park
- 2 cameras covering recreational spaces
- 2 cameras on the main entrance doors with audio to speak to visitors

New signage indicating the position of each camera will be mounted as soon as this arrives in school. The system has no facial recognition.

The full policy will be available on the school website shortly if you would like further details.

Many thanks for your ongoing support,

Rebecca Turner

Headteacher

Having fun, learning together.
Curious, caring, creative and courageous.
